

In small communities, local recreation is more than sport — it's where neighbours connect, friendships grow, and memories are made. Our curling club is a proud hub for all ages, offering a place to stay active, have fun, and share in the spirit of the game.

SPONSORSHIP & ADVERTISING PACKAGES

We're excited to share our new Sponsorship & Advertising Package — with four flexible options — giving local businesses and community members a chance to get involved, show their support, and help keep curling strong in Stirling.

Your support not only helps us host quality events, maintain our facilities, and keep curling affordable, it also ensures we can welcome new members — both young and young at heart — so the legacy of curling continues to grow in our community.

In return, we provide your business with meaningful exposure to engaged audiences in a friendly, community-focused environment.

We'd be happy to chat about which option might be the best fit for you and to answer any questions. Thank you for considering this opportunity to partner with the Stirling Curling Club — together, we can keep our sport and our community thriving.

Thank you!
